DeAngelo Hall was fond of profanity in his postgame comments

Can you just talk about when he scrambles, how hard it is to stay with Dez as long as you had to.

It was a [expletive] terrible call. I told the ref he should [expletive] lose his job. [To another reporter] Man, back up off me, man. [Back to the question] Like I said, I told the ref after that call, that might have been the worst call of the game. He gonna get some demerit points for that call, because that wasn't no facemask.

The facemask was a pretty tough call, nike 2012 nfl, but there's a certain irony in Hall putting in a pitiful performance that helped his team lose the game and then calling for someone else to lose their job because of their own pitiful performance. As for the "back up off me, man, authentic nhl jerseys cheap," our Doug Farrar thinks it proves definitively that DeAngelo doesn't like any contact.

DeAngelo Hall(notes) didn't hit Tony Romo(notes) in the ribs Monday night as planned. Other than a stationary sideline hit on Dez Bryant(notes), he didn't do much helmet-laying on anyone. The biggest contribution made by the Washington Redskins cornerback was to the guys wearing white; Hall allowed Dallas to successfully convert a third-and-21 late in the game while he was locked up in man coverage on Bryant. He then capped it off by getting a facemask penalty on the same play that put the Cowboys in field goal range.

You ain't supposed to have to. You ain't supposed to have to. But, I mean, [expletive] happens.

I think he means he couldn't care less. Because if he could care less, mesh baseball jersey, then he'd be bothered by the fact that I say Hall is like Darrelle Revis(notes), nike nfl pro combat, only DeAngelo lets people stay on his island 60 minutes a week, rent-free.

They can say whatever the [expletive] they want to say. I could care less.

Yeah, but sooner or later somebody's gonna [expletive] figure it out. You don't have to be a [expletive] rocket scientist to figure it out after a while

The Week 15 NFL Quarterback Power Rankings

Hall did excel in one area though: postgame profanity percentage. As our buddy Dan Steinberg of the D.C. Sports Bog noted, DeAngelo dropped six bad words in 46 seconds. (At least somebody on the Redskins is good under two minutes.) His rant included complaints about the refs, croatia soccer jersey, best nba jersey, references to rocket scientists and a Freudian command issued to a reporter.

[Blitzing seven] worked for you guys a lot earlier in the game.

The facemask was just a bad break, grabbing at --

1. Drew Brees(notes), New Orleans Saints

Brees has taken his foot off the gas pedal just enough so that someone might be able to catch him over the next couple of weeks. He didn't really play poorly against the Cowboys,2011 NBA All Star Jerseys, but at the same time,ucla baseball jersey, if you're a Saints fan, you have to be a little concerned. The Saints got behind,blank nhl jerseys, abandoned the running game completely, and put everything in Brees's hands, and they came up short.

2. Peyton Manning(notes), Indianapolis Colts

Peyton was spectacular on Thursday night,baseball shirts, and the Colts needed every bit of it. He threw so many balls into tight spaces, throws that most quarterbacks wouldn't even attempt,nfl stitched jerseys, and the overwhelming majority of the time, he squeezed it in there successfully. He finished with four touchdowns on the night,russian hockey jersey, and his one interception hit his own guy's hands first.

3. Philip Rivers(notes), San Diego Chargers

It's tough to drop a guy after he leads a game-winning drive like the one Rivers put together for the Chargers. He did have a couple of interceptions (though one of them did bounce off Antonio Gates'(notes) hands first), and Peyton had the huge game, so I'm afraid it's unavoidable. If you'd like to,custom baseball jerseys, you can think of Rivers and Peyton as numbers 2a and 2b.

4. Tony Romo(notes), Dallas Cowboys

Romo's had a quarterback rating over 100 for four straight weeks now, and three of those have come in the month of December, so if he cordially invites all of you to kiss his shiny silver pants, I couldn't blame him. If you still need him to win a playoff game to vindicate himself, fine, but the "Romo can't play in December!" stuff is nonsense and has to be shelved immediately.

5. Ben Roethlisberger(notes), Pittsburgh Steelers

There is no player in the NFL who has his fans fluctuating between extreme anger and extreme joy as often as Ben Roethlisberger. Ten times a game,nike 2012 nfl jerseys, he'll make you scream,customize hockey jersey, "GET RID OF THE DAMN BALL,new nfl nike jerseys!",design hockey jersey, and ten other times, he'll have you thinking he's the best quarterback to ever live. It's the blessing and the curse. After a 503-yard performance and a beautiful game-winning throw, this week, of course,nfl nike pro combat uniforms, it's way more blessing than curse.

6. Aaron Rodgers(notes), Green Bay Packers

And as good as Roethlisberger was,blank baseball jersey, Aaron Rodgers very nearly matched him throw-for-throw. He had to settle for a paltry 383 yards, though. It's amazing that there were a total 886 passing yards in that game, and no one threw an interception. That's some great quarterbacking,custom hockey jerseys, and, if we're going to be honest with ourselves, some pretty poor defensive back play.

7. Brett Favre(notes),nfl eagles jersey, Minnesota Vikings

Favre's quarterback rating over the last three games: 79.4, 73.2, and 73.7. Sorry,nike combat nfl, but there are too many good quarterbacks in the league this year for those numbers to not warrant a massive slide. Yes, his season-long numbers are still quite good, but we're talking about the here and now. If we throw "team cancer" into the mix, too, the slide could get much,replica nhl jerseys, much worse by next week.

8. Donovan McNabb(notes), Philadelphia Eagles

McNabb tried to force a couple of throws that ended up as interceptions, but he did throw for 300 yards and display some of the old McNabb wheels, black football jersey, too. I think the fairest thing to do is drop him a couple of spots because of the interceptions, but not too far, nhl jersey history, because he made some plays, too. Having DeSean Jackson(notes) around helps, too.

9. Matt Schaub(notes), Houston Texans

I'm not sure how a quarterback has a day like Schaub's -- 28-of-40, 367 yards, college basketball jersey, a touchdown and no interceptions -- and his team only beats the Rams 16-13. I don't know how that happens. I'd go back and watch the game to find out, but that sounds like a horrible, nhl jerseys for cheap, horrible thing to do to myself.

10. Eli Manning(notes), mlb jersey sales, New York Giants

Good news for Eli Manning: If he's even half as good as Jon Gruden described him last night, mlb baseball jerseys, he's a surefire Hall of Famer. In about the second quarter, reversible basketball practice jerseys, I started thinking to myself, "Should Eli be in my top three? Am I missing something here?" I double-checked, and no, is nike taking over the nfl, I'm okay. I encourage Jon Gruden to make his own list, though, and see if he can squeeze 27 quarterbacks into his top five.

Vick was constantly pounded and under pressure most of the day since his receivers could not get separation, russian hockey jersey, 49ers Jerseys, and finished with 128 yards with two interceptions. He amassed 79 yards on the ground, wholesale football jerseys, falling short of McCoy by only two yards for the day. McCoy did provide the only offensive score behind his 81 and was the only bright spot other than an Eagles defense which returned an interception for a score.

The decision to bench DeSean Jackson forced the Eagles to start Steve Smith and lose the edge Jason Avant was providing as an effective #3 wide receiver. Mr. Destiny on DeSean Jackson's shaky situation

UpgradeFAQs Some viewers in Jacksonville brought complaints to the AFC South blog about some of the television shots used as part of the pregame show and telecast of "Monday Night Football" - one of the Charlotte skyline and at least one scenic shot of Jacksonville that was outdated. I reached out to an ESPN spokesperson for explanation. Here's what he offered:

“The Charlotte aerial was an inadvertent mistake. It should not have aired. We apologize that it was part of the telecast.

“The scenics of Jacksonville that were used during 'Monday Night Countdown' were shot the night of the previous MNF game there in late October. We did not have a crew shooting scenics Monday. There were no graphic or audio mentions indicating the shot was live, nhl jerseys wholesale, though we understand viewers may have been under this assumption.”
