Roby is an all-around special-teams player. His primary role is as a kickoff return man. He averaged 25.8 yards per return in the first three games,nfl 2012 jerseys, but that's not all Roby did. He also plays on the coverage units.

EDEN PRAIRIE,college hockey jersey,nike combat nfl,nike nfl apparel, Minn. -- If you were expecting a detailed account of Brett Favre's return to practice Friday,osu football jersey,football jersey designer, you haven't been watching the NFL for long. Minnesota Vikings coach Brad Childress said "I'm not giving any scouting reports" on how Favre looked, and the quarterback made only a brief appearance in the locker room during media availability. Suffice it to say,nfl jersey wholesale, details were scarce.

In reality,make your own college football jersey, both men have already fired their verbal and figurative salvos. On Monday,custom nfl football jerseys,nike nfl jersey, Childress provided far more information about Favre's fractured left foot than he usually does. A conspiracy theorist would suggest Childress wanted it known how serious Favre's injury was to grease the lane for benching him for Sunday's game against the New England Patriots.

Favre,nba basketball jerseys,nfl new uniforms, meanwhile, lobbied hard Wednesday to be given a chance to show he can play through the injury and maintain a streak of 291 consecutive starts. If nothing else,make your own hockey jersey,scotland football jersey, he painted Childress into a corner. If Favre believes he can play from a physical standpoint,plain football jersey,womens football jersey, as he suggested,hockey jersey builder,nike nfl equipment gloves, then he was basically daring Childress to bench him for performance reasons.

Friday,buy nfl jerseys,nhl penguins jersey, Childress was asked about the hypothetical scenario of Favre not playing Sunday. Would it be because of the injury or performance?

"Those are things for you guys to ponder and write about,nfl personalized jersey," Childress said.

Eventually,discount football jerseys, I asked Childress if he wanted Favre to play Sunday. Here's what he said: "If he gives us the best chance to win,nfl jerseys 2012, yeah. There is a couple of litmus things. There is,create a nfl jersey,nfl bears jersey,leaked nike nfl jerseys, 'Can he protect himself?' And then,future nike nfl jerseys,customized football jerseys, 'What gives us the best chance to win?'"

You hate to overly parse the words of what was a pretty clipped news conference. But I thought Childress' answer was revealing. Obviously, he needs to decide whether Favre is healthy enough to perform the basic duties required of him on the field. On that count, all I can tell you is that Favre was limping pretty noticeably during the brief portion of practice we watched Friday.

But it seemed as though Childress was suggesting that he also must determine, nfl jersey sizing, independent of the injury, kids football jersey, whether Favre gives the Vikings the best chance to win Sunday. Would the Vikings be better off with Tarvaris Jackson starting? I obviously don't know for sure, nike 2012 nfl, nike nfl 2012 jerseys, but it sure looks like Childress wouldn't mind if that's the case.

I can't defend how Favre has played this season, Customized baseball jerseys, customize football jersey, nike nfl jerseys leaked, committing 14 turnovers in six games. But whether Jackson would fare any better is pure speculation. Childress faces a tough decision no matter which way he goes. Luckily, we'll be here and available to rip away regardless. Stay tuned. I don't think we'll have an answer until a few hours before Sunday's kickoff. Sports Blog Courtney Roby is Player of the Month

That's because New Orleans' Courtney Roby saved the day. Roby has been named the NFC's Special Teams Player of the Month for September. It's a good choice, football jersey frames, because Roby is a guy who really doesn't get the attention he deserves. He's the first New Orleans non-kicker to earn the award since Tyrone Hughes in October 1994.

Roby's made five special-teams tackles, including at least one in every game. He also recovered a fumble on a muffed punt in San Francisco that set up a field goal in a New Orleans victory.
